---

# Management guidelines

- The project activities will be carried out with the support of the project management grant are the following:
- The coordinating partner is responsible for project management. They will
- prepare to oversee the project activities, the project schedule, pass on relevant information and remind the other partners of important dates and milestones as required.
- The co-coordinating institution must be always informed about the preparations and respective agendas of the project meetings and checks that general questions and /or problems that might arise by partner institutions are resolved.
- Every six months partners will send a progress report
- Progress Report: Preparation and submission of the Progress Report to include a mid-term update on how a project is advancing against original plans and budgets in accordance with the workplan

---

# Management guidelines

- The coordinator follow up project activities, the project schedule, pass on relevant information and remind other partners of important dates and milestones required.
- An online platform will be set up for teacher training & Teams for partner collaboration, document sharing,
- Virtual meetings will be organized once a month to update on the progress and address any issues that arise. We only plan a face to face project meeting a year so the virtual meetings are very relevant in the project development.
- All project result will be published in the project website

# Quality plan & report

West will be responsible for piloting assessment and report

The evaluation methods and processes will include the following elements:

**1. Overall project process evaluation**

a) Conducting evaluation of management activities (e.g. evaluation of meetings, quality plan, dissemination): preparation of evaluation on line questionnaires for project meetings,

interpreting the results and giving feed-back to the partnership.

**2. Evaluation of the on line course for teachers**

a) Planning and preparation of the evaluation ( contents, piloting)

b) Evaluation actions

c) National pilot reports

d) Overall final report

**3. Evaluation of the piloting CPS**

a) Planning (definition of criteria) and preparation of the evaluation

---

# Quality plan & report

- 4 . Evaluation of the Multimedia Guide
  - a) Planning (definition of criteria) and preparation of the evaluation
  - b) Report on evaluation of Multimedia
- 5. Evaluation of the App
- 6. Evaluation of the eTwining activities
  - a) Planning (definition of criteria) and preparation of the evaluation
  - b) Report on evaluation of etwining activities and summary in English
- the project website
- The impact of the online courses will be measured by analysis of numbers of Resources, tutorials and guidelines for teachers on the integrated use of innovative pedagogies and assessment methods teachers involved in the pilot phase, number of teachers participant in the course

---

# Dissemination plan & report

- *The responsible is AEPI Sabón Virtual activities: website, social networking presence,.*
- *Face- to-face events: project presentations at conferences/seminars/meetings (Erasmus days , and 9th of May Europe Day)*
- *Distribution of dissemination materials: project flyer, poster, brochure*
- *Contributions to mass media: press articles, Press releases ( dissemination conference), contacts to local TV and radio broadcasters*
- *Outside of partner organisations, dissemination will take place through seminars, conferences ( national and international)*
- *Groups of stakeholder will be contacted through virtual meetings*
- *A dissemination plan will be designed by AEPI Sabón together with partners at the first meeting , every six months partner will report about project dissemination activities*

**Assessment and Dissemination will collaborate all partners**

---

## Firt Steps

Months 1,2 - State of Art, each member looks for 3 examples of CPS partners collect examples which are shared by the partners in Teams

Months 3,4 - Develop the CPS programming model for use by teachers (each partner will create their own models) the model will be developed and chosen by consensus.

Month 4/5 1<sup>st</sup> international Meeting / training, in the 4 areas, (Portugal) end of June or beginning of July in September

---
